THE FARM

Whetstone Pastures Farm provides an unusual setting for that special party. Sandra and Anthony can offer you a truly unique experience, with fabulous seasonal fruit.

PARTIES

We cater for parties of all sizes and shapes whether it's for your child, your grandmother, your annual works event, or a wedding.

Children's birthday parties include use of the play barn with Wendy house, sand pit, straw bales, ride on tractors and toys. During the fruit season children can pick their own strawberries to take home. What a treat!

TRAILER RIDES are also an option. Take a farm tour with Farmer Anthony as your guide – learn all about farming in a fun way. Can seat 30 with wheelchair provision.

Or why not **PAN FOR GEMS** and **FOSSILS**. Just like the prospectors in the Wild West, children can search for hidden treasures in their individual bags of soil.

We are located half way between Leicester and Lutterworth on the A426. Whetstone Gorse Lane is 2 miles south of Blaby.

For SAT NAV use 'Whetstone Gorse Lane', NOT postcode, or Dog and Gun pub, Whetstone

Food options include pizza making in our own wood-fired pizza oven for groups of 10 or more. Enjoy kneading dough, selecting toppings from a range of fresh ingredients and then eat your pizza straight from the oven! Vegetarians are catered for. Or choose our party food including bite size sandwiches, dips, cheese, fruit, small cakes, crisps and ice cream – no burgers and chips here! For the adults, why not indulge in a delicious cream tea or cake.

Our Strawberry Cottage **TEA ROOM** offers a cosy and relaxing atmosphere serving light lunches, cakes and Sandra's delicious cream teas with clotted cream and her own fruit jam. Eat inside the rustic red brick cottage or in the old farm courtyard which provides lots of space for outdoor games and craft activities with a small stage area for music.
